1. The academic rules and regulations stipulated under Autonomous status for PG programs in Engineering remains the same under CBCS. The amendments made to the existing Academic rules are given below:

iv)	<b>Pre-submission and award of Grades to M.E./M.Tech Project/Dissertation under Autonomy</b>
	<b><i>(a) Viva-Voce Committees:</i></b>
	M.E./M.Tech students of fourth semester will take-up a project and submit a report/dissertation. For assessment and evaluation of the project, (i) Pre-submission Viva Voce Committee and (ii) Final Viva-Voce Committees are to be constituted.
	<b><i>(b) Composition of Pre-submission/Final Viva Voce Committee</i></b>
	HoD/Chairperson-BoS: Chairman
	External Subject Expert: Member
	Project Supervisor: Member
	An External Subject Expert can conduct Viva-Voce Examination for a maximum of six students in a day.
	The Final Viva-Voce Committee will submit its recommendations to the Controller of Examinations.
	<b><i>(c) Grading to M.E./M.Tech/MCA Project/Dissertation:</i></b>
	The existing Grading System is used to evaluate to M.E./M.Tech/MCA project dissertations in line with the Grading System being implemented for Theory and Practicals for the M.E./M.Tech programs.
	The submission of dissertation is in two phases i.e., Phase-I & Phase-II (late submission) with a gap of four months for the students who joined the college with effect from the academic year 2014-15.

The Viva Voce will be conducted as per the Almanac and will normally be twice in an academic year.

The Viva-Voce committee will give a comprehensive report indicating the adequacy or otherwise of the Project Report/Dissertation. If candidate's work/dissertation is found inadequate by the viva committee, he/she has to appear once again for the viva-voce examination as per almanac. The candidate will revise the thesis as per recommendations of the viva-voce committee and submit the corrected copy along with point by point reply to the examiners' report which should be duly verified and certified by the Supervisor and Head of the Department before forwarding it for evaluation by the external examiner to the Exam Branch. The Controller of Examinations will arrange to get the Project Report/Dissertation valued by an External Examiner. Report of the External Examiner will be final for declaration of result without again referring to the Department, unless the External Examiner suggests that the dissertation be revised.

The thesis of a candidate awaiting the result of any backlog subject shall not be sent for evaluation to the external examiner. After successfully completing the backlog subjects the M.E / M.Tech. Project Report / Dissertation will be sent for evaluation. In the case of any revision suggested by the external examiner, the candidate will submit the revised Project Report/Dissertation, incorporating the suggestions made by the External Examiner, through the Head of the Department and Supervisor to the Controller of Examinations for taking necessary action.

2. With effect from the Academic Year 2016-17, the college start implementing Choice based Credit System (CBCS) for Post Graduate programs in Engineering also. Hence duration of the class is enhanced from 50 minutes to 60 minutes (one hours). Accordingly, the Scheme of instruction, examination, assessment and evaluation undergo revision.
3. With effect from the Academic Year 2017-18, for all Post Graduate programs in Engineering the ratio of Semester End Examinations to Continuous Internal Evaluation (CIE) marks is revised from 70:30 to 60:40. Accordingly, the Scheme of instruction, examination, assessment and evaluation undergo revision.
