ABOUT THE INSTITUTION

Vasavi College of Engineering (VCE) was founded in 1981 by the Vasavi Academy of Education. It is located at Ibrahimbagh, Hyderabad, which is 9 km from Mehdiapatnam, en route to Gandipet and in close vicinity to Taramati Baradari. With dedicated efforts for over 36 years, Vasavi College of Engineering has emerged as a reputed centre of learning in engineering education and is currently offering 6 UG and 6 PG programmes. The Departments of Civil, Mechanical, ECE, EEE, CSE and IT are accredited by the National Board of Accreditation in the year 2017. The college is adequately supported by 380 faculty and staff members. The college was granted Autonomy status by U.G.C. from academic year 2014-15.

COLLEGE VISION

Striving for a symbiosis of technological excellence and human values

COLLEGE MISSION

To arm young brains with competitive technology, nurturing holistic development of individuals for a better tomorrow

ABOUT OUR DEPARTMENT

The department has 21 members of faculty and 8 of them are holding Ph.D. The areas of teaching expertise of the faculty include various specializations of Civil Engineering such as Structural Engineering, Geo-technical Engineering, Water Resources Engineering, Transportation Engineering, Environmental Engineering and Engineering Geology.

The Department has nine full-fledged Civil Engineering laboratories in addition to a Centre for Geomatics. The Department also has in its gamut an exclusive computing facility with the latest software in Design, Planning and Management, Remote Sensing, GIS, Land & Water Management, etc. The Department is also undertaking consultancy works in order to promote Industry-Institute Interaction. It has organised two international conferences and several national conferences & workshops.

OBJECTIVES OF THE SEMINAR

Several technological advancements are taking place in various areas like Structural Engineering, Water Resources, Geotechnical Engineering, Transportation Engineering, Environmental Engineering, GIS and Construction Management of Civil Engineering Branch. To expose the budding engineers to these new developments is the main motive of the seminar. Mutual discussions and presentations on the recent topics of Civil Engineering would help in the development of perception of the future Civil Engineers.

Students are invited to contribute and present technical papers on interesting topics in the areas of Civil Engineering mentioned above.

PARTICIPANTS

Post Graduate students in Civil Engineering and B.E./B.Tech Civil Engineering students can participate in the Seminar and present papers in Oral or poster presentation.

Technical paper can be sent to staff convener mail ID mentioned below.

The Registration form may be [downloaded from the College website www.vce.ac.in](#)
