

**CIRCULAR**

No.VCE/Open Electives/2017

29<sup>th</sup> December, 2017

Following are the classrooms allotted for conducting Open Elective courses for IV-Semester B.E. students during the academic year 2017-18:

**1 Credit course : Tuesday (9.40 a.m. to 10.40 a.m.):**

S. No.	Name of the open Elective	Room No.
1.	Green Buildings	V-215
2.	Cyber Security	R-207
3.	Non Conventional Energy Sources	J-012
4.	Medical Electronics	J-208
5.	Introduction to Software Engineering	R-307
6.	Display Devices	R-208
7.	Introduction to Non Destructive Testing	R-308
8.	Fundamentals of Vacuum Technology	J-215
9.	Electronic Engineering Materials	C-101
10.	Industrial pollution prevention and control	C-107
11.	Polymer technology	C-207
12.	Introduction to cryptology	V-311

**Legend:** V - Visvesvaraya Block; R – Ramanujan Block; C-CV Raman Block; J-JC Bose Block

**2 Credit course : Wednesday & Thursday (1.20 p.m. to 2.20 p.m.):**

S. No.	Name of the open Elective	Room No.
1.	Disaster Management	V-215
2.	Introduction to Python programming	R-207
3.	Electric Heating and Illumination	J-012
4.	Sensors for Engineering Applications	J-208
5.	Introduction to Database Management Systems	R-307
6.	Smart Materials and Applications	R-308
7.	Fundamentals of cryogenics	R-208
8.	Fundamentals of Thin Film Technology	J-215
9.	Corrosion Science and Technology	C-101
10.	Electrochemical Energy Systems	C-107
11.	Engineering Materials	C-207
12.	Linear Algebra and its Applications	V-311

**Legend:** V - Visvesvaraya Block; R – Ramanujan Block; C-CV Raman Block; J-JC Bose Block
