Professional Bodies Student IE Chapter

“**Just a Minute**” competition in association with IE student chapter was conducted for B.E. 2/4 CSE students on 25th March, 2015.

The main objective is

- To test their public speaking skills which has a vital role to play in their upcoming career.
- To provide platform to express their interpersonal skills.

Nearly 20 students participated in the event. Topics were given on the spot. The speeches were judged by the expertise who awarded points based on different parameters and selected the winners who gained highest points.

Our Vision

To be a center for imparting Computer Science and Engineering education and to serve as a valuable resource for the industry and society

Our Mission

To enable the students to develop logic and problem solving approach to help build their careers in the field of computing and provide creative solutions for the benefit of the society

PEO's

(i) Graduates will possess in-depth knowledge in the area of Computer Science and Engineering and keep up-to-date with life-long learning.

(ii) Graduates will be able to develop solutions for problems using latest technologies and possess leadership, communication & teamwork skills in order to function effectively in their profession.

(iii) Graduates will apply the values of social, ethical & environmental issues in their work.

Achievements Student

- Koushik, Bala Harika of B.E. 4/4 CSE, won the first prize in Acumen CS Fest project expo held on March 7th, 2015.
- Naveena, Sai Keerthi of B.E. 3/4 CSE, won the first prize for paper presentation held as a part of Acumen on March 7th, 2015.
- Kranthi, Rafeeq of B.E. 4/4 CSE, won the first prize in Geek Battle held as a part of Acumen on March 7th, 2015.

Extra-Curricular and Co-Curricular Activities

Co-Curricular Activities:

Guest Lectures Organized:

- A guest lecture on “**Mobile Transactions**” was delivered by Dr Salman Abdul Moiz, Associate Professor, HCU for M.Tech CSE students on 31st January, 2015.
- A guest lecture on “**Data Mining**” was delivered by Dr P Krishna Reddy, Professor, IIT Hyderabad for M.Tech CSE students on 23rd January, 2015.
- A guest lecture on “**Advanced Operating Systems**” was delivered by Ms.Anshika Gupta Data Stage Developer, IBM India Pvt.Ltd. for M.Tech CSE students on 3rd January, 2015.
- A guest lecture on “**Converged Infrastructure Security**” was delivered by Mr. Mohammed Imran, Network Security Engineer, Microsoft for M.Tech CSE students on 28th January, 2015.
- A guest lecture on “**Advances in software Engineering**” was delivered by Mr G Sunil Kumar, Sr. Software Engineer Couth Info tech Pvt. Ltd. for M.Tech CSE students on 21st February, 2015.
- A guest lecture on “**Graph theory and algorithms**” was delivered by Mr S Vinith Kumar Reddy, Sr. Software Engineer, Amazon Development Center Hyderabad for M.Tech CSE students on 7th January, 2015.
- A guest lecture on “**Machine Learning Techniques**” was delivered by Mr Vamshi Krishna, Sr. Test Lead, Progress Software Pvt Ltd for M.Tech CSE students on 6th February, 2015.
- A guest lecture on “**Recent trends and developments in data bases**” was delivered by Dr Manish Singh, Asst Professor, IIT Hyderabad for M.Tech CSE students on 30th April, 2015.
- A guest lecture on “**Cyber Forensics**” was delivered by Dr. M V Pandu Ranga Rao, Asst Professor, IIT Hyderabad for M.Tech CSE students on 12th March, 2015.

Workshops/ Conferences Organized/ Attended:

- ✚ S Vinay Kumar, Assistant Professor, S Suba, Assistant Professor attended a FDP program by Accenture on 1st January, 2015 at Hyderabad Office.
- ✚ T Nishitha, Assistant Professor, K Aravinda, Assistant Professor attended a FDP program on “Entrepreneurial Orientations in Technical Teaching” held on 7th February, 2015 at Vasavi College of Engineering.
- ✚ S Vinay Kumar, Assistant Professor, MSV Sashi kumar, Assistant Professor attended a two day EMC Academic Summit, 2015 at Hotel Le Meridian and SRM university Chennai organized by EMC² on 12th and 13th February, 2015.
