Department of Computer Science and Engineering

A Report on Career Guidance Session delivered by Raj Kumar Goel on Jan 30st,2013

A Career Guidance session on **"what career option an engineering individual can opt for after engineering curriculum and how to decide a particular career option in which one can excel with successful career"** was delivered by Mr. Raj Kumar Goel, Alumnus of 2010 passed out batch on Jan 30st ,2013 for the student audiences of BE 2/4 CSE.

The objectives of the session were to convey the importance of choosing a particular career option as per the demands of highly competitive IT industry, prominent skill set an Engineer individual should possess and to convey when to opt for higher studies.

Mr. Raj Kumar has stressed that BE 2nd year II- semester is the right time to develop the clarity on a particular career option to be opted for.

As far as exams like GRE,GMAT,CAT, SAT for higher studies are in picture, students were advised to prepare during BE 3rd Year I - Sem and enroll for exams in BE 3rd year II Sem.

The speaker Mr. Raj Kumar Goel has concluded the session by sharing his placement experiences conducted by Wipro Pvt Lmt held at Vasavi college campus.

The student audiences were overwhelmed to be part of the session as they got the opportunity to interact with alumnus of 2010 passed out batch and to acquaint with recruitment process of the Wipro Pvt Lmt.
