A Report on “Technical Puzzle Solving Contest” conducted on 28th Aug, 2014

(Conducted Under I.E Student Chapter)

On account of Engineers Day Celebration a “**Technical Puzzle Solving Contest**” was organized by the Department of Computer Science and Engineering on 28th, Aug 2014 for the students of B.E 3/4 CSE conducted in Ramanujan Block, VCE.

The objective of the contest was to

- Bring the competitive nature among the students group
- To assess the students awareness in regard latest updates

The contest was conducted in 3 rounds where first round a simple puzzle just to equip the participants with the pattern to puzzle they may come across.

The first & second rounds were conducted for more than hundred participants out of which 30 students were nominated to participate for third round.

D. Pruthvidhar Reddy student of 3/4 CSE – B won the First prize.

B. Sai Srujan student of 3/4 CSE – B won the second prize.

M. Bhanu Prakash student of 3/4 CSE -A won the third Prize.

The students’ participants were excited with the questions they came across in the contest and were very curious to know the final answers of the questions of the contest.

As per feedback received from students they would like to participate in many such events which boost their analytical thinking skills and which would also help in testing their awareness in latest technological advancement area.
