A Report on “**Windows 8 App Contest 2013** “conducted under CSI student chapter on Oct 07th,2013

(Conducted under CSI)

Department of Computer Science and Engineering have organized “**Windows 8 App Contest - 2013**” in association with Microsoft Pvt , Ltd under CSI student chapter on Oct 07th,2013

The main objectives of the contest were

- To motivate the students to work on mini projects.
- To review Quality and Usability of App
- To inculcate a competitive spirit in students.

The students of BE 3/4 CSE A & B have participated in contest by submitting their App developed as part of their Mini Projects.

The following 22 Apps were registered for the App Contest-2013. Among these 22 nominations around 20 students were given opportunity to demonstrate their Apps. Below are the titles of the nominated Apps.

Pix Puzzle, Typing Tutor, Matching Mania, Color Feast, fit kid, Word Hunter, Tic Tac Toe+, Learn Sheet music, Exotic Hill Stations, Ping Pong Ultimate, Cupcake Delight, Cric quiz : Records & Facts, Kaun banega "Tech" pathi , periodic table in chemistry, Guitar101, iExpenses, iSlambook, Golden Egg, Word Twister, Do It Yourself (DIY),World Of Children.

After the brief demo of Apps it was acknowledged that quality of few apps were good

enough & have witnessed that few Apps has good number of downloads.

Out of 18 apps demonstrated by students six apps were shortlisted under the good apps category and were highly appreciated as they were very well developed and of immediate requirement for the human society.

Following which the below 3 Apps were finalized as Best Apps of Contest -2013 and winner students were appreciated with Cash awards.

- Apps Titled “Ping Pong Ultimate” Developed by Mr . Ballari James was identified as the first best App.
- App Titled “Pix Puzzle Developed by G.Srikiran was identified as the second best App.
- App Titled “iExpense” Developed by Sri Harsha was identified as Third Best App of the contest.
