For BE III semester Students

- 1.0 All the students of III Semester (BE 2/4 – I semester under CBCS) are required to register for the **"Open Elective" courses for IV semester B.E.** The course registration process is online and the detailed procedure was already briefed on 23.07.2018(Monday) by the respective HoDs. It should be noted that the condition of securing a total of 03 credits should be acquired through the open elective courses offered by Department of Physics and Chemistry has been removed and students can now choose open elective courses offered by any of the Departments. However, there is no change in the regulations that students should acquire a total of 11 credits from the open elective courses during III to VI Semesters.

Students should view the details like course titles, relevance, which branch students can opt for a particular open elective course and contents of syllabus of open elective courses offered by various departments before they exercise their options through "Online Registration".

The online registration process for III Semester BE students starts at 8.00 p.m on 29.11.2018(Thursday) and closes by 4.00 pm on 30.11.2018(Friday)

Hence, all the said students are advised to exercise their options as per the above notified schedule without fail.

For BE V semester Students

- 2.0 All the students of V Semester (BE 3/4 – I semester under CBCS) are required to register for the **"Open Elective" courses for VI semester B.E** through "Online Registration".

Students should view the details like titles, relevance, which branch students can opt for a particular open elective course and contents of syllabus of open elective courses offered by various departments before they exercise their options through "Online Registration".

The online registration process for V Semester BE students starts at 8.00 p.m on 30.11.2018(Friday) and closes by 4.00 pm on 01.12.2018(Saturday)

Hence, all the students are advised to exercise their options as per the above notified schedule without fail.

- 3.0 Common note to III & V semesters students :

- a) *Students need not give options for all the 12/13 Open Elective courses. They should however give option for all the courses they are eligible for.*
- b) *Students should refer the Department wise summary sheet for relevance and eligibility to opt before they exercise online options as the software provisions are made accordingly.*
