SWOC ANALYSIS

STRENGTHS:

- Focused Vision & Mission.
- Well developed infrastructure.
- Qualified and experienced faculty & staff.
- Quality of students admitted.
- Good academic culture, ambience and working environment leading to high students and faculty satisfaction.
- Management supports faculty qualifications upgradation and good academic practices.
- The administrative and management policies & controls are well established and operate effectively. Standard procedures, policies and practices are in place.
- Campus placements are strong and career counselling for students is well organized and structured.
- Students are given awards and rewards for merit achievement.
- Proctorial system with regular monitoring of attendance of students and their performance in examinations.
- Reputation and prestige of the college is rated high by students for its overall training, holistic development and academic results & placements.
- Institute location-accessible to all the Stakeholders.

WEAKNESSES:

- Less number of faculty with Ph.D.
- R & D and consultancy activities are limited and research culture needs to be strengthened.
- Absence of comprehensive Academic ERP System.
- Industry-Institute interaction.

OPPORTUNITIES:

- Autonomy would enable the Institute to address the shortcomings under affiliation system.
- Leveraging locational advantage to network with institutes of higher learning, industry and research organisations for consultancy, collaborative R & D Projects, sponsored research, academic interaction, student internships etc.
- Use its alumni base for institutional growth.
- More research funding opportunities.
- Ph.D Programmes offered by many public and private universities.

CHALLENGES:

- Establishment of higher educational institutions, Private and Deemed Universities can cause unequal competition.
- Quality of student intake in certain departments due to change in preferences.
- Change in mindset towards R&D.
- Presence of mediocre journal publishers.
- Tough competition in research funding opportunities.
- Availability of quality faculty interested in teaching.
- As tuition fee is regulated, resource base could be affected.
