

EXTRA CURRICULAR CLUBS

N V Math Club

THE SEVEN R'S OF EDUCATION

According to the modern concept of education, the three traditional R's must be enhanced by another the four R's.

Reading, Writing and Arithmetic – The old concept

The democratic concept includes **Rights, Responsibilities, Recreation and Relationships**

This can be achieved by synchronised and well monitored extra-curricular and co-curricular activities

The objective is to build well rounded personalities and get rid of the marks boogie syndrome

WHEN ARE THESE ACTIVITIES OFFERED TO STUDENTS???

All these activities are for the BE 2/4 and 3/4 students which is offered in both the semesters

BE 2/4- 8 sessions of 2 hours duration = 16 hours in the third and fourth semesters respectively.

BE 3/4 - 7 sessions of 2 hours duration = 14 hours in the fifth and sixth semesters respectively

The induction of students into these clubs will be online and around 60 students can be enrolled in each club.

The **second year** students will have these clubs activities **every Thursday**

The **third year** students will have these club activities **every Friday**
