#### ACUMEN 2017- INSPIRE AND IGNITE

Courtesy of the Inspire and Ignite program, adding to the diversity of the crowd was a group of almost 150 school children dressed in their uniforms. An Initiative by the students and faculty members at Vasavi College of Engineering, Inspire and ignite aims at spreading awareness about engineering among school children, especially those hailing from the backward strata of society. As a part of this program the 150 strong contingent, comprising of kids from various schools was given a presentation by Vasavi students on career guidance and what life in engineering looks like. They were also given a full guided tour of the college campus and a short lecture by college Alumni
