Report on Outreach Program for the academic year 2022-23

Outreach Program was conducted for EEE students of Sri Annapurna ITI, Ramsing Pura, Tallagadda, Karwan, Hyderabad from 20-03-2023 TO 25.03.23. All the teaching and non – teaching staff of the department involved actively in organizing and completing the outreach program.

Following are the topics covered during the program

- 1. Circuit theory concepts followed by Simulation of Circuits.
- 2. Measurement using analog discovery Kits.
- 3. Fundamentals of Machines followed by practical Exposure to DC & AC Machines.
- 4. Skill Development on soft skills followed by practical on Communication skills.
- 5. Demonstration on operation of power House.
- 6. Demonstration on operation of solar power plant.
- 7. Power systems lab experiments.
- 8. Project lab experiments on various innovative / theme based experiments on LabVIEW, PLC etc.

The workshop included both theoretical concepts and hands on experience. The participants interacted well with the expert during the workshop.
