IEEE SB and Department of Information Technology
Vasavi College of Engineering (A), Ibrahimbagh, Hyderabad
Presents
IEEE CIS Researchers' Forum

17-18 December, 2021

The objective of this IEEE CIS Researchers' forum is to provide a platform to the students pursuing Ph.D., Masters Degree leading to Ph.D. and researchers in the industry with an opportunity to share, present, explore, develop their research ideas, and to receive constructive feedback from the research community of IEEE Computational Intelligence that will help them to further improve and progress in their research work. It will be a great opportunity for the potential research scholars to interact with fellow researchers and eminent senior researchers in their research areas, identify active research groups, understand the funding opportunities provided by Govt. of INDIA and strengthen the collaborations between students having similar research interests.
