A report on the One week
"***OUTREACH PROGRAMME on COMPUTER BASICS &
PYTHON PROGRAMMING***"
(29th June, 2024  - 4th May, 2024)

The objective of "Computer Basics & Python Programming" training programme for Rural Youth is to impart basic concepts of Computers, MS office and Python Programming. This Programme was conducted in a learning-by-doing mode. It concentrated more on hands-on experience for the participants rather than theoretical classes.

The Target Audience were students in 10 + 2, Degree and who want to pursue careers in IT.

The programme covered the topics, Computer Fundamentals, MS Office: MS Word, MS Excel , MS Power Point, Python Programming: Introduction to Python, Decision making and repetition, Functions, Strings, Lists, Tuples, Set, Dictionaries. These topics were dealt theoretically and practically with the support of teaching and non-teaching staff of the department.

A total of 46 participants from in and around Ibrahimbagh, Narsingi, Attapur, Golconda, etc., had attended this programme.

On the last day of the programme, an exam with MCQs was conducted to test the participants learning.

At the conclusion of this programme the participants gave a positive feedback of all the sessions and asked organizers to conduct more such programmes. The programme concluded with certificate distribution to the participants.
