

1991 Alumni Contributions to support Meritorious and financially needy students

On behalf of the management, staff, and students of Vasavi College of Engineering, we extend our heartfelt gratitude for your generous contributions to the VCE Alumni Society. Your sponsorship of the meritorious awards and support for economically needy students is truly commendable and makes a significant impact on our community.

Your commitment to giving back not only recognizes the achievements of deserving students but also empowers those who need it the most. Such acts of kindness inspire current and future generations to strive for excellence and contribute positively to society.

We look forward to your continued support and hope to see more of your generous contributions in the future. Together, we can create more opportunities and pave the way for brighter futures.

Thank you once again for your invaluable support!
