10. Your mentor does a necessary follow-up with an assigned task to you.

11. The teachers illustrate the concepts through examples and applications.

12. The teachers identify your strengths and encourage you with providing right level of challenges.

13. Teachers are able to identify your weaknesses and help you to overcome them.

14. The institution makes an effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

15. The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

16. Teachers encourage you to participate in extracurricular activities

17. Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

18. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

19. The overall quality of the teaching-learning process in your institute is very good.

**Provide observation / suggestions to improve the overall teaching – learning experience in your institution. Technical internship, and inter college participation**

- Effective study material.
- More importance for libraries and sports.
- Syllabus reduction.
- More activities related to the subject.
- Easy learning.
- Interbranch Projects can be implemented.
- Application oriented teaching
- Would be extremely useful if more MOOCS courses were endorsed by the institution.
- Would recommend updating the syllabus for a few courses according to current trends.
- Use more practical oriented methods, Supplement lectures with hands-on activities.

More than 80% of students expressed their satisfaction about teachers' approach towards teaching.
