1. The result analysis for the semester ending December 2017 was reviewed. It is observed that first semester pass percentage in some subjects is alarming and needs to be followed meticulously by the concerned HODs.

2. HoDs are advised to visit the classes within one week from the date of commencement of class work with effect from the Academic year 2018-19 and obtain feedback on the faculty teaching the courses, so that immediate remedial measures can be initiated instead of waiting for the completion of formal CRC meetings.
3. Organization of TechFest-2018 & EUPHORIA-2018
A report on the activities of Acumen and Euphoria 2018 was perused.
4. NSS Activities:
The Co-ordinator of NSS activities made a presentation of the activities conducted 2017-18. It is advised to strengthen NSS activities further and take up extension activities.
5. Academic issues:
 - PO, CO attainment calculations to be updated and kept ready for PG accreditation visit.
 - HODs may be advised to ensure the maintenance of course files for all the courses being taught.
 - Subject allocation for AY 2018-19 may be completed well in advance such that the assigned faculty may utilise the time during vacation for preparation.
 - Feed back to be collected from the students at the end of the semester for all the courses individually and also exit survey to be completed for passing out students.
 - Details of the students who have excelled in competitive examinations have to be compiled.
 - Annual Report to be prepared for AY 2017-18. The Convenor informed that this can be completed after the declaration of semester end results.
 - Faculty requires to take pro active steps for paper publications, submission of applications for sponsored projects and consultancy.
6. The Department of Electronics and Communications Engineering proposes to conduct a Five day training on "Labview Training Program" in association with NI during May,2018
