Our Vision.........

"Striving for a symbiosis of technological excellence and human values"

Shri Pendekanti Venkatasubbaiah

Shri Pendekanti Venkatasubbaiah, one of the veteran statesmen of Independent India, held many important positions in his lifetime. He served in the capacities of the Union Minister of State for Home & Parliamentary Affairs (1980-84), the Governor of Bihar and later, of Karnataka.

Shri Pendekanti Venkatasubbaiah was born in an affluent family of agriculturists on 18th June, 1921 at Sanjamala, a village in the erstwhile Princely State of Banaganapalli in Kurnool District of Andhra Pradesh.

He took keen interest in the national movement while he was a student in Nandyal which constituency he represented subsequently for 27 years in Lok Sabha.

FOUNDER
Late Shri Pendekanti Venkatasubbaiah

Former Union Minister of State
for Home & Parliamentary Affairs
and
Former Governor of Bihar and Karnataka

He dedicated himself to the national movement and fought against oppression, braving imprisonment. A Gandhian as he was, he had passionate interest in Education, Khadi and Co-operation. He started several educational institutions, Poor Boys' Hostels and Co-operative Societies. Shri Venkatasubbaiah was secular in his outlook throughout his life and fought firmly against all kinds of inequalities and oppression. His vision for an egalitarian and progressive future reflects in the institutions that he founded and inspired.

Our mission.......

"To arm young brains with competitive technology and nurture holistic development
of the individuals for a better tomorrow"

Our Quality Policy

"Education without quality is like a flower without fragrance. It is our earnest resolve to strive towards high standards of teaching, training and developing human resources."

Vasavi College of Engineering, established in 1981, is a self-financed institution, affiliated to Osmania University and offers the following courses:

4-Year Undergraduate Programmes in

- Civil Engineering
- Computer Science & Engineering
- Electrical & Electronics Engineering
- Electronics & Communication Engineering
- Information Technology
- Mechanical Engineering,

3-Year Postgraduate Programme in

- Masters in Computer Applications (MCA)

and 2-Year ME Programmes (full time 4 semesters) in

- Embedded Systems & VLSI Design (ECE)
- Advanced Design & Manufacturing (MECH)
- Communication Engineering & Signal Processing (ECE)
- Computer Science & Engineering (CSE)
- Power Systems & Power Electronics (EEE)

The college has applied to NBA for the accreditation of three eligible PG programmes (including MCA) out of the total six PG programmes and the schedule for NBA Team's visit is awaited.

Further, on submission of our application to NBA for accreditation of all the six undergraduate programmes, an Expert Team from NBA visited the College for accreditation on 17th, 18th & 19th February, 2017.

INFRASTRUCTURE:

Vasavi College of Engineering, in its constant pursuit of offering quality education, has created excellent infrastructural facilities with total expenditure of Rs.9.50 crores and a total built up area of 33,460 Sq. Meters.

There are around 1159 systems are networked through LAN. 250 Mbps (ACT Fiber – Broadband) internet connectivity allows students and staff to access Internet from anywhere in the campus. Wi-fi internet connectivity has been provided in some common areas.

NPTEL Courses:

To reinforce the technical knowledge of the students, college has included National Project on Technology Enabled Learning (NPTEL) courses developed by IITs and IISc as part of regular timetable for our students.

QEEE Programme:

The college is participating in a pilot Project of QEEE (Quality Enhancement in Engineering Education) under TEQIP-II where live lectures by eminent professors from IITs are being webcast directly to the students. To provide the required infrastructural facilities for the QEEE Programme, the college has procured necessary software & hardware with required specifications including public address system, projectors.

Our students are participating in Virtual laboratory courses in Digital Signal Processing. Under Massive Online Open Courses (MOOCs), our students have registered for (i) Design and Analysis of Algorithms from Microsoft Research India and (ii) Discrete Time Signals and Systems offered by Rice University, through which they can receive certification.

LIBRARY:

The college has a spacious and well-stacked library with sufficient number of titles (12,082) and volumes (1,03,555) and with good reprographic facilities. Further, the college subscribes to print versions of 90 National & 14 International Journals of repute and 2186 online e-Journals.

FACULTY:

The College has 188 highly qualified and experienced faculty members including 40 teachers with Ph.D qualification 147 with postgraduate qualifications. Presently 52 faculty members are pursuing Ph.D programme.

Around 123 research papers were published in reputed journals by our faculty during 2016-17. The College also encourages faculty to upgrade their qualifications while in service by providing assistance in the form of academic leave, reduction in their class work etc.

Around 112 National Seminars/Conferences/Workshops/Guest lectures were conducted by all the departments during the current academic year.

More than 60% of faculty members were deputed to attend Seminars/Conferences/ Workshops/Guest Lectures conducted various reputed institutions.

Mr. Aditya Reddy, Assistant Physical Director, has been nominated as "OBSERVER" for "Telangana State Physical Education Common Entrance Test-2016" conducted by O.U., at Gachibowli Stadium.

Our students regularly participate in the Inter-Collegiate, Inter-University tournaments and win prizes.

➢ Our college was selected for "Curriculum Integration Academy-2016 Award" by CISCO Academy Support Centre.

➢ Our College received "Best Overall Performance Award" among all Private Engineering Colleges from A.P. & Telangana Chapters of ISTE for the year 2016.

STUDENTS:

Osmania University Ranks

Our students have been consistently achieving good academic results and ranks in the University Examinations. In the year 2015-16, results and university ranks secured by 2016 passed-out batch are as follows:

S. No.	Name of the Branch	Total No. of ranks secured
1	Civil Engineering	**03** (4,7,10)
2	Electrical & Electronics Engineering	**02** (1,5)
3	Electronics & Communication Engineering	**03** (5,6,7)
4	Mechanical Engineering	**05** (1,2,5,8,9)
5	Computer Science & Engineering	**02** (2,9)
6	Information Technology	**05** (1,5,7,8,10)
	Total	**20 out of 60 Ranks**

The overall pass percentage was 95%, total number of university ranks is 20

MERIT AWARDS:

To encourage merit and to develop competition among the students, **Best Academic Performance Awards** are given to top 3 students of each section, for all the courses, based on their performance in the University Examination in the preceding year.

Best Project Awards are given for final year students to encourage innovativeness for the projects relevant to their respective fields of engineering.

Best Attendance Awards are given to all those students who have secured 100%, 99% and 98% of attendance in the preceding academic year.

In token of their all-round performance, **Young Leader Awards** are given to the 4th year students.

GOLD MEDALS:

Vasavi Academy of Education has instituted Gold Medals to the toppers of each discipline based on their cumulative performance (from 1st year to final year) in the University Examinations. In addition, Gold Medals have been instituted by industry partners, alumni, parents and individuals.

Merit-cum-Means Scholarships:

In addition to the above initiatives, the Management of Vasavi College of Engineering is providing Merit-cum-Means Scholarships to the needy students for their academic improvement.

ENTREPRENEURSHIP DEVELOPMENT CELL:

The College is an Institutional Member of NEN, CII and TiE who are globally known organizations for entrepreneurial leadership programmes.

The Entrepreneurship Development Cell of the College is functional since 2002. The ED Cell organizes different programmes to motivate and guide the students for entrepreneurship development and equips them with information and opportunities. As a part of E-week, college has organized an E-Summit 2016 with 23 eminent CEOs of different startup companies from Telangana. The college has received the **Championship Award** and E-week 2016 **School Innovation Award** in southern region for the Best Practices of Entrepreneurship in the campus.

As a part of IEDC, the College has received a Work Order from Govt. of India to make 10 Nos. of **Clean It All** (product developed by students for cleaning of sewers) under Swachh Bharat Scheme. These 10 Nos. will be supplied to the nearby Panchayats under the Clean & Green Scheme.

INNOVATION CENTRE:

The College has established **Innovation Center** in the year 2010-11 for nurturing innovative ideas from the students. An amount of Rs.48.50 Lakhs has been sanctioned by Department of Science and Technology, Government of India, to establish IEDC in the college for five years starting from the academic year 2010-11. As a part of this initiative, Ideation contests were conducted every year. The college provides necessary facilities and financial support upto Rs.1.00 lakh to carry out each one of the projects. A Committee consisting of experts from different industries is involved in the selection of ideas. As a part of this, the College received a work order for manufacturing of 10 products of a Pilot Project "Clean It All" from Government of India under "Swatch Bharat Scheme". We are supplying these 10 products to the nearby Panchayats under the "Clean and Green of the Twin Cities".

Microsoft Inc. has recognized Vasavi College of Engineering as a Microsoft Innovation Centre and about 250 Apps which were developed by the students have uploaded to Microsoft.

During the year 2015-16, Seven Ideas were short-listed and funded Rs.1.00 lakh per idea through IEDC.

I congratulate our SWAYAM students' team who won the "Overall Championship (South Zone)" in the E-Week Grand Finale held at Bangalore on 5th March, 2016. I also congratulate Dr. T. Ramamohan Rao, Professor of Mechanical Engineering and Coordinator ED-Cell of the college.

Startup Cricket League is designed with the aim of Bringing the Indian Startup Ecosystem Closer, Fostering Entrepreneurship and Supporting Startups . The College SWAYAM team has supported this event in Bengaluru, Jaipur and Hyderabad.

INCUBATION CENTRE:

The College has set-up an Incubation Centre in 2010 to provide platform to start-up entrepreneurship to convert their innovative ideas into commercially viable products.

STUDENT DEVELOPMENT PROGRAMMES:

To equip the students to face the process of selection for placements, a six-week training programme is being conducted during summer vacation to all eligible students of B.E. 3rd year and MCA 2nd year. In addition finishing school classes have been made compulsory for 2nd & 3rd year students to increase the employability of our graduates.

Higher studies:

Notable number of students secures admission in IITs, NITs in India and in reputed universities of USA/UK/Germany etc., every year to pursue their ME/MS Programme. A few students secure admission in prestigious Business Schools including IIMs to pursue their MBA.

PLACEMENTS:

The campus recruitment process for the batch graduating in June 2017 is almost in its final stage. It is gratifying to note that, 543 students got placements and 893 are the gross selections from 44 companies. The recruitment by the companies is continuing for 2016-17 batch. Accolite & EA Games offered our students a pay package of 10.00 Lakhs per annum. Oracle has selected 13 of our students with 9 LPA. Other major companies that selected our students in the current final year include Accenture (with 278 offers). Infosys Technologies Limited (167 offers), Cognizant (with 123 offers) and

Other companies that visited our campus this year are JP Morgan, Deloitte Consulting, Pega Systems, Hexagon, CDK Global, ADP, TCS, United health Group, Capgemini etc., along with six core companies such as AMD, Qualcomm, Hyundai Mobis India Limited, Redpine Signals, Thomson Reuters, ADTRAN Networks India Pvt. Ltd, etc..

All of us at VASAVI sincerely thank all the companies for reposing their confidence in our students and College.

A total of 44 companies have visited this year till date. The average pay package is 4.6 LPA.

We have recorded highest placements this year when compared with other colleges in Telangana and Andhra Pradesh.

TEQIP-II:

Our College is one of the 25 private institutes all over the country to have been selected for Technical Education Quality Improvement Programme (TEQIP) Phase-II, sub-component 1.1, with a funding of **Rs. 400.00 lakhs**. The MoU was signed in September, 2011 and the original project completion date was **31st December, 2014**. **This has been extended till March, 2017**. Based on Key-Performance Indicators, the Institute was selected as one of

the "Well Performing Project Institutions" and was sanctioned an additional grant of Rs.200.00 lakhs.

EXTRA-CURRICULAR ACTIVITIES:

Games & Sports:
Our college teams have participated in football, basketball, volleyball, tennikoit and Table Tennis Inter-Collegiate tournaments organized by Osmania University.

Some of the remarkable achievers of our College will be introduced later during sports prize distribution function.

They have done us proud. Let us congratulate their remarkable performances.

CLUBS:
To improve the oral & writing skills, and also bring the innate talent of the students the college has permitted establishment of various clubs viz., SpeakEasy Club, Music Club; Abhinay Club; Street Cause; Theme Ballet Event Club; Kriti – Arts Club; Vasavi Talkies - Film & Photography Club, ECO Club.

ALUMNI:
The college has been interacting with the Alumni regularly through the alumni portal with a view to facilitate connectivity and seek their cooperation in areas of placements, Students' projects, Students' visits, Consultancy etc.

Our Alumni have also instituted awards for students who have secured overall best performance in academics.

CONCLUSION:

I wish all our students an educative, interactive, fruitful and enjoyable academic journey at VASAVI and hope that they will take full advantage of the facilities available in the college and shape themselves into good engineers and more importantly as good human beings.

I appeal to the parents to continue their interaction with our Heads of Departments and faculty members, monitor the performance of their wards in attendance and academics and encourage them to achieve all round excellence.

Thank you.
