Our Vision.....

“Striving for a symbiosis of
technological excellence and human
values”

Shri Pendekanti Venkatasubbaiah

Shri Pendekanti Venkatasubbaiah, one of the veteran statesmen of Independent India, held many important positions in his lifetime. He served in the capacities of the Union Minister of State for Home & Parliamentary Affairs (1980-84), the Governor of Bihar and later, of Karnataka.

Shri Pendekanti Venkatasubbaiah was born in an affluent family of agriculturists on 18th June, 1921 at Sanjamala, a village in the erstwhile Princely State of Banaganapalli in Kurnool District of Andhra Pradesh.

He took keen interest in the national movement while he was a student in Nandyal which constituency he represented subsequently for 27 years in Lok Sabha.

He dedicated himself to the national movement and fought against oppression, braving imprisonment. A Gandhian as he was, he had passionate interest in Education, Khadi and Co-operation. He started several educational institutions, Poor Boys' Hostels and Co-operative Societies. Shri Venkatasubbaiah was secular in his outlook throughout his life and fought firmly against all kinds of inequalities and oppression. His vision for an egalitarian and progressive future reflects in the institutions that he founded and inspired.

Our mission.....

“To arm young brains with competitive technology and nurture holistic development of the individuals for a better tomorrow”

Our Quality Policy

“Education without quality is like a flower without fragrance. It is our earnest resolve to strive towards high standards of teaching, training and developing human resources.”

Revered President of today's function, Sri P. Ramamohan Rao, President, Vasavi Academy of Education, Prof. T.V. Subba Rao, Vice-President, VAE; Sri M. Krishna Murthy, Secretary, VAE; Sri V.M. Parthasarathi, Treasurer, VAE; Sri P. Balaji, Chief Executive Officer, Members of the Governing Body of Vasavi Academy of Education and Managing Committee of Vasavi College of Engineering, Chief Guest Sri Emmanuel Gosula, Senior Resource Development Manager, EPAM Systems, distinguished invitees; learned colleagues; respected parents and my dear students. A very good morning to all of you!

On behalf of Vasavi College of Engineering, I have great pleasure in extending a cordial welcome to all of you to the Orientation Programme and I extend hearty congratulations to the students having secured admission in this College.

CONCLUSION:

When a new student enters an institution they come with diverse thoughts and are a little apprehensive about the new environment. To help them adjust to the new environment and to inculcate in them the ethos of the institution the AICTE has made it mandatory to have an induction programme spanning three weeks.

We here at Vasavi have very meticulously chalked out a three week programme to develop awareness, sensitivity and understanding of the self, people around them and the society at large. We have organised yoga and meditation sessions, life-skill workshops, personality development lectures, foundation courses etc. We have organised a field trip to various places to build awareness and promote a sense of compassion for the under privileged.

We hope you all will make the best of these activities organised just for you. You must attend these sessions and put in atleast 85% of attendance.

I wish all our students an educative, interactive, fruitful and enjoyable academic journey at VASAVI and hope that they will take full advantage of the facilities available in the college and shape themselves into good engineers and more importantly as good human beings.

I appeal to the parents to continue their interaction with our Heads of Departments and faculty members, monitor the performance of their wards in attendance and academics and encourage them to achieve all round excellence.

Thank you.
