VASAVI COLLEGE OF ENGINEERING
DEPARTMENT OF INFORMATION TECHNOLOGY

Report on Alumni Meet Held on 21-12-19

The Alumni Meet started with registrations from 9:40am onwards. This time the registration was common to all branches. A total of 37 Alumni of IT branch registered for the Alumni meet. As the Alumni were registering, they were interacting with their faculty and HoD. The event began at around 12 noon when all the registered alumni gathered at the Seminar Hall, R-Block of Vasavi college of Engineering.

The meeting started with an address by the Secretary of Alumni Association, Prof. T. Adilakshmi Madam who is also the Head of Department of CSE. She spoke about the role and importance of Alumni for the development of the the college. She particularly highlighted the importance of Alumni when the college goes for NBA and NAAC Accreditation.

She also informed about the recent changes that are happening in the curriculum as part of the choice based credit system (CBCS). She also briefed the Alumni about the various activities being conducted in the college as part of Alumni Activity. She highlighted the various scholarships and also gold medals and other support schemes the various alumni have initiated in the college. She asked the alumni present for the meet for their contribution either in the form of support schemes or in the form of guest lectures etc.

Later, senior alumni of the college addressed the gathering. The Director, Academic and Administration, Prof. Dr. GV Ramana Murthy sir addressed the gathering. He also highlighted the the recent changes that are happening as part of CBCS implementation of Curriculum.

Finally, the Principal, Prof. Dr. S.V. Ramana sir, addressed the gathering and requesting the cooperation of the Alumni in the development of the College.

Later all the Alumni went to canteen, where a special lunch was arranged for them.

After the Lunch session, the Alumni went to respective department.

In the Department, the HoD, Dr. K. Ram Mohan Rao sir, spoke to the alumni about the recent changes that are being done in the curriculum and requested the support of the alumni in developing the curriculum. Also, he has requested the support of Alumni, in supporting the students of the program in the form of some financial assistance for weaker students and financial rewards in the form of medals or assistance for best students. He also requested their support in the form of Guest Lectures in the latest topics of Industry.

Later, the Alumni met their respective faculties in the Department and interacted with them. The Meet concluded with a tea and snacks session. The Alumni felt it was a great reunion and recollected their memories.
