DEPARTMENT OF INFORMATION TECHNOLOGY

Report on Alumni Meet Held on 21-12-24

The Annual Alumni Meet Reflections 2024 was conducted on 21st December 2024. The alumni meet started with registrations from 9:40am onwards. This time the registration was done branch wise. A total of 11 Alumni of IT branch registered for the Alumni meet. As the Alumni were registering, they were interacting with their faculty and HoD.

The meeting started with Head of the Department Dr. Ram Mohan Rao, interacting with the alumni who came first at his cabin. He spoke about the role and importance of Alumni for the development of the Department. He particularly highlighted the various changes that were happening in the curriculum and the importance of Alumni feedback in curriculum development.

He also informed about the recent changes that are happening in the curriculum as part of the choice-based credit system (CBCS).

He also briefed the Alumni about the various activities being conducted in the college as part of Alumni Activity.

He highlighted the achievements of the students and staff of the department.

The event began formally at around 12:30 noon at the newly constructed Dr. APJ Abdul Kalam Auditorium in the VS block, where all the alumni from different programs assembled for the meet. The Principal, Sri SV Ramana Garu, The Joint Secretary, Vasavi Academy of Education, Sri. M. M. Anand Kumar garu, and Treasurer, Vasavi Academy of Education, Sri. V M Parthasarathi garu and HoDs of various departments graced the occasion.

The meeting started with an address by the Secretary of Alumni Association, Prof. T. Adilakshmi Madam who is also the Head of Department of CSE. She spoke about the role and importance of Alumni for the development of the college.

She highlighted the various alumni events conducted across all the departments in the year 2024. She highlighted the various scholarships and also gold medals and other support schemes that various alumni have initiated in the college. She asked the alumni present for the meet for their contribution either in the form of support schemes or in the form of guest lectures.

Later, the Principal Dr. S.V. Ramana addressed the gathering. He spoke about the college being accredited with NAAC A++ grade, and the contributions of the staff, students, and the management in securing the A++ grade.

He also requested the alumni for their support in establishing some new labs in advanced technologies in different branches of engineering.

After the principal addressed the gathering, other dignitaries also addressed the gathering and spoke about the importance of almamater in the development and reputation of the Institute.

Further Alumni awards were given to best project projects under sustainable development category. From IT program, the 4th year students with Roll numbers 1602-20-737-098, 1602-20-737-114 Apuru Rohan and Varkala Sujith Atesh received this award for their project titled "Forest fire detection using multimodal learning on RGB/IR data set drone collected RGB/IR Image dataset".

After this award distribution all the alumni had a special lunch at the canteen and later visited their respective departments. The alumni event was memorable and gave a nice platform for all the alumni to rejoice and celebrate with their classmates.
