4. Discussion on revised scheme of instruction for B.E. 1st year under CBCS scheme.

Contd....2

 (Dr. K. Sri Rama Murthy)
 OU Nominee

 (Dr. K. Shyamala)
 Subject Expert

 (Dr. Salman Abdul Moiz)
 Subject Expert

 (Dr. M. Asha Rani)
 Subject Expert

 (Mr. Raju Kanchibhotla)
 Industry Representative

 (Mr. K. Surya Kiran)
 UG Alumnus

 (Dr. K. Ram Mohan Rao)
 Chairman, BOS

In this discussion the members suggested the following

Autonomous Syllabus

1. B.E. IV Year autonomous scheme I-Semester
 - a. VLSI Design can be offered as an elective & VLSI Design Lab can be removed.
 - b. The credits for VLSI Lab can be moved to Project Seminar.
 - c. The courses offered as part of Elective I & III can be interchanged.
 - d. Introduce an IOT component in Embedded Systems Lab.
2. B.E. IV Year autonomous scheme II-Semester
 - a. The courses offered as part of Elective I & III can be interchanged.
3. B.E. III Year autonomous scheme I-Semester & II-Semester
No changes

CBCS Syllabus (2016-17 joining Batch)

1. B.E. III Semester
 - a. Change title of Micro Electronics to Basic Electronics.
 - b. The course Computer Organization should be moved to IV Semester in place of this Probability and Statistics should be brought to III Semester.
2. B.E. IV Semester
 - a. Change Probability and Random Processes course to Probability and Statistics and take
 - b. Change title of Object Oriented Programming using Java to Object Oriented Programming and Object Oriented Programming using Java Lab to Object Oriented Programming Lab.
3. B.E. V Semester
 - a. Software Engineering Lab to be removed.
 - b. Credits of Software Engineering Lab to be added to Software Engineering and Microprocessors and Microcontrollers.
4. B.E. VII Semester
 - a. VLSI Design Lab can be removed and in place of the VLSI Design Lab Information Security can be made as a mandatory course.

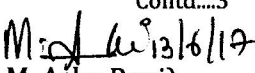

CBCS Syllabus (2017-18 joining Batch)

1. B.E. II-Semester
 - a. Title of Data Structures using C should be changed to Data Structures.
 - b. Title of Data Structures using C Lab should be changed to Data Structures Lab.
 - c. Title of Linux Basics & Scripting should be changed to IT Lab.
2. B.E. III Semester
 - a. Title of Micro Electronics should be changed to Basic Electronics
 - b. Title of Object Oriented Programming and Advanced Data Structures should be changed to Advanced Data Structures.
 - c. Title of Object Oriented Programming and Advanced Data Structures Lab should be changed to Advanced Data Structures Lab.
 - d. The course Computer Organization should be moved to IV Semester in place of this Probability and Statistics should be brought to III Semester.

(Dr. K. Sri Rama Murthy)
OU Nominee

(Dr. K. Shyamala)
Subject Expert

(Dr. Salman Abdul Moiz)
Subject Expert

Contd....3

(Dr. M. Asha Rani)
Subject Expert

(Mr. Raju Kanchibhotla)
Industry Representative

(Mr. K. Surya Kiran)
UG Alumnus

(Dr. K. Ram Mohan Rao)
Chairman, BOS

3. B.E. IV Semester - No changes
4. B.E. V Semester
 - a. Software Engineering Lab to be removed.
 - b. Credits of Software Engineering Lab to be added to Software Engineering and Microprocessors and Microcontrollers.
5. B.E. VI Semester - No Changes
6. B.E. VII Semester
 - a. Distributed and Cloud Computing Lab can be renamed as Cloud Computing Lab.
 - b. VLSI Design Lab can be removed and in place of the VLSI Design Lab Information Security can be made as a mandatory course.

Suggestions related to Open Electives

1. The course Python can be renamed as Scripting Languages
2. The course Software Engineering can be renamed as Introduction to Software Engineering.
3. The course RDBMS can be renamed to Introduction to DBMS.

General Suggestions related to CBCS

1. In order for a student to register for a particular course, the requirement of the student clearing / not clearing the Pre-requisite subject should be brought out as an academic regulation.

Resolutions: The following resolution have been made in the meeting

- Based on above suggestions, the schemes of CBCS & Autonomous curriculum will be revised.

Meeting concluded with vote of thanks.

(Dr. K. Sri Rama Murthy)
OU Nominee

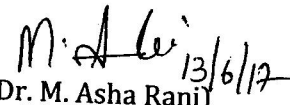

(Mr. Raju Kanchibhotla)
Industry Representative

(Dr. K. Shyamala)
Subject Expert

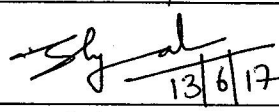

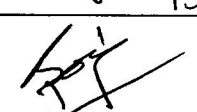

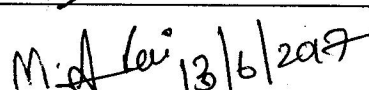

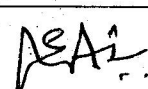

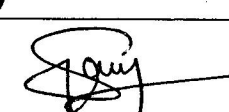

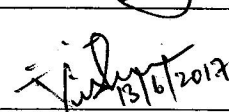

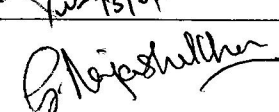

(Mr. K. Surya Kiran)
UG Alumnus

(Dr. Salman Abdul Moiz)
Subject Expert

(Dr. K. Ram Mohan Rao)
Chairman, BOS

(Dr. M. Asha Rani)
Subject Expert
