Based on the discussions, the members suggested the following points:

- 1. Information Security course can be removed from VII-Semester. Credits gained by removing Information Security can be added to the Project-II.
- 2. The students may be provided with a prerequisite course map before their selection of professional electives. Also an orientation can be conducted by the concerned faculty for students in order to help them in the selection of professional elective courses.
- 3. The criteria for B.E. Honors can be modified as follows.
  - a. Students having a CGPA greater than or equals to 7.5 by the end of IV-Semester can be considered for B.E. Honors IT Program.
  - b. Acceptation of Scopus indexed journal can be considered for earning credits for B.E. Honors Program.
- 4. A list of MOOCs courses for B.E Honors Program can be presented for BoS approval before offering to the students.

The meeting concluded with vote of thanks.
