

VASAVI COLLEGE OF ENGINEERING (A)
DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES

The HSS department offers BFSI courses as a Stream- Based Open electives pool.

Here's a brief description of each of the courses

1. **Financial Services** – Explores the banking, insurance, investment, and financial markets that drive economic growth and equip students with essential financial decision-making skills.
2. **FinTech** – Examines the transformative role of technology in financial services, including digital payments, block chain, artificial intelligence, and financial innovation.
3. **Financial Analytics** – Focuses on using data, statistical techniques, and analytical tools to evaluate financial performance, manage risk, and support informed business decisions.
4. **Business Intelligence** – Develops the ability to collect, analyse, and visualize data to generate actionable insights that enhance organizational performance and strategic decision-making.
