

IELTS™

Test Report Form

ACADEMIC

NOTE Admission to undergraduate and post graduate courses should be based on the ACADEMIC Reading and Writing Modules.
GENERAL TRAINING Reading and Writing Modules are not designed to test the full range of language skills required for academic purposes.
It is recommended that the candidate's language ability as indicated in this Test Report Form be re-assessed after two years from the date of the test.

GATE 2018 Scorecard

Graduate Aptitude Test in Engineering

Candidate's Details

Name

TATIKONDA SESA SAI SINZITH

Registration Number

CS18S31403006

Examination Paper

Computer Science and Information Technology (CS)

(Candidate's Signature)

Performance

Marks out of 100* **19.33**

Valid from March 17, 2018 to March 16, 2021

Qualifying Marks**

25.0	22.5	16.6
General	OBC (NCL)	SC/ST/PwD

All India Rank in this paper **22621**

GATE Score **283**

Number of Candidates
Appeared in this paper **107893**

* Normalized marks for multi-session papers

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Digital Fingerprint: 1e8429a58b4999a28c6535ac1353b119

Prof. G. Pugazhenthir

March 17, 2018

Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences

A - Engineering Mathematics (compulsory)

B - Fluid Mechanics

C - Materials Science

D - Solid Mechanics

E - Thermodynamics

F - Polymer Science and Engineering

G - Food Technology

H - Atmospheric and Oceanic Sciences

XL: Life Sciences

P - Chemistry (compulsory)

Q - Biochemistry

R - Botany

S - Microbiology

T - Zoology

U - Food Technology

Graduate Aptitude Test in Engineering (GATE) 2018 was organized by Indian Institute of Technology Guwahati on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.

Listening Skills	Level	Your Performance
Listening	High	<p>Test takers who receive a score at the HIGH level, as you did, typically understand conversations and lectures in English that present a wide range of listening demands. These demands can include difficult vocabulary (uncommon terms, or colloquial or figurative language), complex grammatical structures, abstract or complex ideas, and/or making sense of unexpected or seemingly contradictory information.</p> <p>When listening to lectures and conversations like these, test takers at the HIGH level typically can</p> <ul style="list-style-type: none"> • understand main ideas and important details, whether they are stated or implied; • distinguish more important ideas from less important ones; • understand how information is being used (for example, to provide evidence for a claim or describe a step in a complex process); • recognize how pieces of information are connected (for example, in a cause-and-effect relationship); • understand many different ways that speakers use language for purposes other than to give information (for example, to emphasize a point, express agreement or disagreement, or convey intentions indirectly); and • synthesize information, even when it is not presented in sequence, and make correct inferences on the basis of that information.

Prof. G. Pugazhenth

March 17, 2018

Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Prof. G. Pugazhenthir

March 17, 2018

Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_r - S_q) \frac{(M - M_q)}{(\bar{M}_r - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_r is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_r = 900$, is the score assigned to \bar{M}_r

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Verbal Ability & Reading Comprehension		Data Interpretation & Logical Reasoning		Quantitative Ability			
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
29.49	56.79	29.60	92.18	17.89	59.36	76.98	70.86

Instructions:

- Only candidates who have taken the Common Admission Test (CAT 2017) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2017. You will not receive score card by email or by post.
- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
- Percentile refers to percentage of candidates who receive score less than or equal to the score obtained by the candidate.
- IIMs and Non-IIM member institutions independently decide how to use CAT 2017 scores on the basis of their own selection process. The scores are to be used only for selecting the candidates to their Post Graduate / Fellow Programme(s) in Management.
- Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.
- All queries regarding post-CAT 2017 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
- CAT 2017 score is valid only until 31st December 2018 and subject to meeting the minimum eligibility marks in the qualifying examination.
- Toll free number 1-800-266-3549 will be available till 20th January, 2018 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2018 respectively.

Instructions:

- Only candidates who have taken the Common Admission Test (CAT 2017) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2017. You will not receive score card by email or by post.
- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
- Percentile refers to percentage of candidates who receive score less than or equal to the score obtained by the candidate.
- IIMs and Non-IIM member institutions independently decide how to use CAT 2017 scores on the basis of their own selection process. The scores are to be used only for selecting the candidates to their Post Graduate / Fellow Programme(s) in Management
- Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.
- All queries regarding post-CAT 2017 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
- CAT 2017 score is valid only until 31st December 2018 and subject to meeting the minimum eligibility marks in the qualifying examination.
- Toll free number 1-800-266-3549 will be available till 20th January, 2018 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2018 respectively.

Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
21.21	41.96	33.49	95.12	30.23	78.61	84.93	75.69

Instructions:

- Only candidates who have taken the Common Admission Test (CAT 2017) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2017. You will not receive score card by email or by post.
- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
- Percentile refers to percentage of candidates who receive score less than or equal to the score obtained by the candidate.
- IIMs and Non-IIM member institutions independently decide how to use CAT 2017 scores on the basis of their own selection process. The scores are to be used only for selecting the candidates to their Post Graduate / Fellow Programme(s) in Management
- Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.
- All queries regarding post-CAT 2017 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
- CAT 2017 score is valid only until 31st December 2018 and subject to meeting the minimum eligibility marks in the qualifying examination.
- Toll free number 1-800-266-3549 will be available till 20th January, 2018 and webmail support cathelpdesk@iimcat.ac.in will be available till 31st March, 2018 respectively.

Prof. G. Pugazhenth

March 17, 2018

Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences

A - Engineering Mathematics (compulsory)

B - Fluid Mechanics

C - Materials Science

D - Solid Mechanics

E - Thermodynamics

F - Polymer Science and Engineering

G - Food Technology

H - Atmospheric and Oceanic Sciences

XL: Life Sciences

P - Chemistry (compulsory)

Q - Biochemistry

R - Botany

S - Microbiology

T - Zoology

U - Food Technology

Graduate Aptitude Test in Engineering (GATE) 2018 was organized by Indian Institute of Technology Guwahati on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Human Resource Development (MHRD), Government of India.
